# WELCOME

## MESSAGE FROM THE MINISTER FOR THE ENVIRONMENT AND TOURISM AND MINISTER FOR SCIENCE AND INNOVATION, **THE HONOURABLE ANDREW POWELL MP.**

It is my pleasure to welcome you all to the 2026 Noosa Festival of Surfing, an event that celebrates the energy and diversity of The Sunshine Coast.

The Queensland Government is proud to support The Noosa Festival of Surfing through our Tourism and Events Queensland's Homegrown Fund, which backs events developed in our state and helps connect them with the unique destinations they call home.

Homegrown events play an important role in showcasing new ideas, celebrating culture, and creating memorable experiences for visitors, all while contributing to Queensland's vibrant and diverse events calendar.

Beyond The Noosa Festival of Surfing, there is so much to see and experience in The Sunshine Coast. I encourage visitors to take the opportunity to explore the area and enjoy the wide range of tourism opportunities that Queensland has to offer.

I want to congratulate the organisers and all those involved in delivering The Noosa Festival of Surfing for their outstanding efforts and playing a vital role in Queensland's dynamic Homegrown events sector.
